

# WP9738FC

| NO. | DESCRIPTION                   | NO. | DESCRIPTION                                    |
|-----|-------------------------------|-----|------------------------------------------------|
| 1   | Sucker                        | 26  | Connecting nut                                 |
| 2   | Filter base                   | 27  | Three-way connector                            |
| 3   | Plastic filter                | 28  | Knob                                           |
| 4   | Bushing                       | 29  | O-ring                                         |
| 5   | Impeller cover                | 30  | Connector                                      |
| 6   | Block ring                    | 31  | O-ring                                         |
| 7   | Stainless steel gasket        | 32  | Seal gasket                                    |
| 8   | O-ring                        | 33  | Valve spool                                    |
| 9   | Impeller cover liner          | 34  | Compactly rotating parts                       |
| 10  | Porcelain shaft               | 35  | Outlet tube                                    |
| 11  | Rotor                         | 36  | Threaded inner ring                            |
| 12  | Plug column                   | 37  | Seal gasket                                    |
| 13  | Main pump housing             | 38  | Sprinkler head                                 |
| 14  | Power cord                    | 39  | Spray head body                                |
| 15  | Output connector              | 40  | Sprinkler head                                 |
| 16  | Stainless steel tapping screw | 41  | Spray head body                                |
| 17  | Stator                        | 42  | Sprinkler head upper sleeve                    |
| 18  | Screw                         | 43  | Sprinkler head core                            |
| 19  | Spring washer                 | 44  | Spray head body                                |
| 20  | Gasket                        | 45  | Sprinkler head lower sleeve                    |
| 21  | Grounding lug                 | 46  | Sprinkler head                                 |
| 22  | Aluminum shell                | 47  | Spray head body                                |
| 23  | Stainless steel housing       | 48  | Tapping screw                                  |
| 24  | Short connecting nut          | 49  | Bush                                           |
| 25  | Cable sheath                  | 101 | Main pump housing assembly<br>(9+12+13+...+22) |
